now lemme tell you the story of tinkerbell

lucifer had rebelled

and his watchers fell into the earth

and they had became

fairies

angels of charm

angels of promise

yet no depth

and only strings

but Enoch hath said unto thee

Thus says the lord God:

Behold,

the Lord cometh with ten thousands of his saints,

to execute judgment upon all,”

and the fairies were furious

they rose from the earth

to start the construction

of Neverland

they whispered unto the word

and made it a magic wand

a golden lamp for the genie

and it was so

Tinkerbell

the wife of the fallen Angel

had begun her sugar coat’s magic

on the earth
